NSRBA Hockey Challenge is expanding for 2010, from two teams to four. In addition to the South Atlantic Cats and the North Atlantic Explosives, we are adding an NSDOT team and an associate member team.

Tuesday, January 26th is the date for the semifinal games, with the DOT facing off against the defending champion South Atlantic Cats from 10:30 AM to 12:00 noon at the Halifax Forum. The evening game features the North Atlantic Explosives against the Associates from 10:30 PM to 12:00 midnight at the Halifax Forum.

The winners of these two games will meet in the final, tentatively scheduled from 4:00 PM to 5:30 PM on Wednesday, January 27th at the Halifax Metro Centre, although the venue is subject to change due to scheduling conflicts. Although the stakes are high, the competition is friendly, and everyone is welcome, regardless of skill level, as we will do our best to “even” out the teams.
